

# YOU can Raise the Roof

Please join the board and staff of Loudoun Habitat for Humanity as we build strength, stability, and self-reliance through places to call home.

## 30 Years of Home

For 30 years, Loudoun Habitat has made a difference through homeownership and home repair. Your support will help us for the next 30 years.

## Raise the Roof 2024 is a fun night for a great cause.

This year's event at the beautiful Westfields Marriott includes a seated dinner, open bar, live band, dancing and more. The best part is you joining in to raise many roofs for our neighbors right here in Loudoun County.

# YOU give a hand-up when you support Raise the Roof 2024 Gala

65 families/246 individuals have **greater economic stability and higher net worth** through affordable homeownership.

37 homes/73 individuals are living in **safer homes** through Loudoun Habitat home repairs. Many repairs focused on members of our community trying to age in place in older homes and veterans in our community.

39 *Tools for Life* workshops and webinars building a **toolbox of skills and knowledge** for all members of our community.

Homeowners experience **higher graduation rates** when compared to low-income renters.

Homeowners are leveraging housing wealth to **finance post-education for their children**.

Stable housing costs allows financial resources to be spent on **better food and health care**, and limits overcrowding in living conditions.

Habitat homeowners **increase civic and social engagement** over individuals that rent.

Learn more on how YOU are making a difference. Visit [loudounhabitat.org](http://loudounhabitat.org) for more on the positive outcomes affordable homeownership provides for individuals and families living in our community.
